**Caligula Blushed—The most authentic tribute to The Smiths and Morrissey working today!**

Dedicated to the notion that fans of the Smiths and Morrissey want to hear some of the greatest music ever written in a true live concert setting, Caligula Blushed delivers an authentic rendition of Smiths/Morrissey songs, with each performance based on an impeccable set list.

Seasoned Mozzer Quinn's spot-on mannerisms and vocals, paired with the band's top flight musicians, render each Caligula Blushed performance a visceral live experience for all Smiths and Morrissey fans!

*"Caligula Blushed, as always, delivered a stellar performance. Fans sang along to every song. They tossed roses onto the stage, and reached out for just a touch from the hand of the man they came to see." — These Subtle Sounds*
